Applications are invited for a post of **JRF/SRF/RA** in CSIR sponsored project entitled “Effect of magnetic anisotropy and particle size distribution on the magnetization of antiferromagnetic NiO nanoparticles”.

### **Qualifications:**

**JRF:** M. Sc. in Physics with 55% marks and passing of NET/GATE test.

**SRF:** M. Sc. in Physics and two years research experience supported by publication.

**RA:** Ph. D. in experimental Condensed Matter Physics.

**Fellowship and Age limit:** As per CSIR norms.

**Project Duration:** Three years

Interested candidates may send their applications along with a detailed resume at sdtiwari@thapar.edu by Jan. 30, 2015. Only short listed candidates will be called for interview.

S. D. Tiwari
